About the Firm

Cendrowski Corporate Advisors is a Certified Public Accounting firm founded in 1983 in Bloomfield Hills, Michigan. The firm has grown tremendously in the past 31 years, and currently maintains offices in Chicago, Illinois as well as Bloomfield Hills.

CCA's team members bring a unique array of experience to every engagement, and are differentiated by their deep professional expertise, allowing us to offer a "different perspective" to our clients. Each member of our senior team has an average of over 25 years of experience in their respective areas of expertise. Many of the firm's professionals have obtained advanced degrees in law, business, and/or taxation; most carry several professional designations. They have served at international accounting firms, as FBI Special Agents, IRS Agents, Professional Engineers, and SEC compliance officers, and held top financial positions in private industry. This expertise means that in addition to performing outstanding work, we are qualified to provide expert testimony in a court of law, which we frequently do.

Back and Middle Office Operations

Utilizing our back-office and middle-office operations permits private equity fund managers to concentrate on the fund's core operations, minimize administrative costs, and ensure data integrity. Our services represent variable costs to the fund that can easily increase with demand or decrease during off-peak times

Back and middle office operations we perform include:

- **Financial Reporting** – *Fund and portfolio company financial reporting for limited partners and fund managers, monitoring of portfolio company performance*
- **General Accounting** – *Bookkeeping functions, posting journal entries, account reconciliations, preparation of financial statements, management of operating cash*
- **Capital Accounting** – *tracking cash intake, basis in entities, maintenance of investor capital accounts, calculation of distributions*
- **Tax Services** – *preparation of tax returns, tax consulting for portfolio companies and the fund, tax representation*
- **Business Valuation** – *ASC 820 (formerly FAS 157) compliant mark-to-market portfolio company valuations for fund return calculations*

SERVICES

CCA's team members strive to provide practical solutions to complex issues. Each senior team member has years of hands-on operational experience in addition to in-depth financial and accounting knowledge. This unique combination of expertise helps ensure CCA's conclusions and recommendations are both practical and backed by rigorous, comprehensive analyses.

Business Valuation Private Equity Firms

Cendrowski Corporate Advisors is a full service business valuation firm. Our team members advise private equity funds on business valuations and provide ASC 820 (formerly FAS 157) compliant mark-to-market valuations of private companies

We perform these services on venture, buyout, and distressed debt-backed firms. CCA provides valuations of:

- Companies looking to go public*
- Portfolio companies of private equity funds*
- Potential portfolio company acquisition targets*
- Firms in bankruptcy*
- Joint ventures*
- Corporate divestitures*
- Minority interests*
- Transactions involving dissenting minority shareholder rights*

We are well versed in the selection of appropriate public-company comparables and cost of capital adjustments associated with private firms.

Our valuations are performed by professionals holding the American Institute of Certified Public Accountant's (AICPA) Accredited in Business Valuation (ABV) credential. These professionals also hold the Certified Valuation Analyst (CVA) designation.
